

Performance Attire

For women:

The dresses are ordered through Stage Accents.

1-800-631-1611

The dresses are two piece and may be ordered as follows:

Top: Imperial Top, Item no. 8703 (black velvet, short sleeves, rhinestone accents)

Bottom: Renaissance Skirt, Item no. 8720, color Ruby.

In order to determine size(s) to order, take the measurements of the bust, waist and hips. Compare the measurements to chart C attached.

Note: The skirts are full with some elastic at the waist. In ordering, the company has stated and choir members have found that the skirts have a couple of inches leeway at the hips and about 1 to 1.5 inches give at the waist. The skirts come unfinished and need to be hemmed. We have found that there is NO such leeway with the top. We are in the process of looking for anew top. Stay tuned. If you are unsure, please discuss your measurements with the customer representative. The company charges a return fee (plus postage for return), so it is most cost-effective and time-effective to get the size right the first time.

The order does not get processed until payment is received. It may be faster to order by credit card.

The costs in the past have been \$45 for the top and \$39 for the skirt plus shipping and handling. These prices may have changed since June.

For men:

The men in the past have gone to Tuxedo Park at the 4 corners in Penfield (586-7846), if they are need a tuxedo. The shirt must have a mandarin collar. Order by neck size or drop in.

You also need the Studs for the buttons and collar (Black) and cufflinks.

No cumber bund.
